* indicates a required field

1.1 Application Information

Before completing this application form please ensure you have read the RED Grants Program Guidelines available online at www.swdc.wa.gov.au

Eligible applicants can apply for funding up to a maximum of **$150,000** per project.

Businesses must contribute a minimum of 50% cash to the project. Not-for-profit or Aboriginal-owned entities may be considered on a case-by-case basis.

All applicants are encouraged to discuss their project with the South West Development Commission prior to submitting an application.

This form contains mandatory fields. You will be alerted if you save the form without completing the required sections.

If you have any questions, or experience issues completing this form please contact the South West Development Commission on 9792 2000 or email **grantscoordinator@swdc.wa.gov.au**

Please note, supporting documents are supplementary to your application. Please ensure you answer all the questions and provide relevant details where required.

The closing date for applications is **Wednesday 26 June 2024 at 3pm WST.**

Incomplete applications and/or applications received after the closing date will not be considered.

1.2 Eligibility Confirmation

Please refer to Section 4 of the Guidelines to confirm your eligibility before completing this application.

I confirm the Applicant:

- Has read and understood the program Guidelines
- Is eligible to apply under the Guidelines
- Is able to demonstrate the financial viability of the organisation
- Is able to demonstrate alignment with at least one of the objectives of the RED Grants Program

Please confirm that all statements above are true and correct. *
○ Yes I confirm

1.3 Privacy Statement

Information provided by applicants or collected by Regional Development Commissions (RDCs) or the Department of Primary Industries and Regional Development (DPIRD) in

relation to an applicant or their application may be used in the administration of the RED Grants Program and in the assessment of this application.

Clarification of other funding sources for your project as stated in your application and project budget may be sought from the relevant funding bodies.

Any information provided (personal, financial or otherwise) will be used solely for the purpose of the RED Grants Program.

RDCs and DPIRD will store personal information collected in this application, supporting documentation and any grant administration, monitoring and evaluation activities in compliance with its obligations under the *Privacy Act 1988* (cth).

RDCs and DPIRD are also subject to the *Freedom of Information Act 1992* and documents in the possession of these agencies are subject to these provisions.

I have read and understood the privacy statement and I consent to and authorise such uses and disclosures. *
○ Yes I confirm

1.4 Assessment Process

The assessment criteria outlined in **section 5 of the Guidelines** will be used to determine the suitability of applications submitted through this program. Applications will be assessed on a competitive basis and should demonstrate:

- Alignment with one or more of the RED Grants Objectives.
- Alignment with one or more of the South West Regional Priorities
- Financial commitment towards the Project.
- Collaboration and partnerships
- Local content outcomes
- Project readiness

The application form provides an opportunity for applicants to demonstrate how their project meets the requirements listed above and in the Guidelines.

As part of the assessment process, applications may be subject to a due diligence process to determine organisational capacity, governance and financial management.

Applicants should note that the assessment and decision making process could take up to six (6) months to complete and this time frame should be considered when submitting your application. **Please refer to Section 6 of the Guidelines for more information.**

SWDC reserves the right to request additional information at any time to clarify aspects of your application.

1.5 Funding Conditions

Should your application be successful, you will be required to enter into a Grant Agreement outlining the conditions of the grant.

All projects must be approved and a Grant Agreement executed prior to project commencement. **No retrospective payments will be made**.

As a condition of funding, all grant recipients are required to provide a detailed Acquittal Report within twelve (12) weeks of project completion. For projects receiving funding of

more than $50,000 the Acquittal Report is to be certified a Certified Practising Accountants, Chartered Accountant or Registered Auditor.

Funding provided to recipients under the Grant is regarded as payment for a supply. GST registered grant recipients will therefore be liable for GST in connection with the grant.

Applicants are encouraged to seek independent tax and financial advice on the potential implications of obtaining funding, including the impact on assessable income.

4. RED Grants Objectives and Regional Priorities

* indicates a required field

Your project must meet one or more of the RED Grants objectives outlined in the Guidelines.

Describe what is expected to be achieved and the benefits and/or outcomes of the project against the objectives most relevant to your project. Each RED objective is unique and should be addressed separately. Do not copy and paste the same argument into each, and only answer those with direct relevance to your project.

Outcomes refer to the intended economic impact that is expected as a result of delivering the project with the grant funding – the expected outcomes provided should be realistic as you will be expected to report against these under a Grant Agreement and Final Report for the acquittal of the project if successful.

Please include What, When, Where and How your project will specifically meet the identified objectives. This can include your current situation, timeframes and targets showing how it will differ after project implementation.

If you would like to review the RED Grants Objectives and descriptions of metrics for each, please click here.

Please indicate which RED Objectives are most applicable to your project: *

☐ 1. Sustainable jobs
☐ 2. Expanding or diversifying industry
☐ 3. Developing skills or capabilities
☐ 4. Attracting new investment in the region
☐ 5. Increasing productivity

Applicants are encouraged to select the objectives most applicable to the project. Please provide detailed descriptions in the corresponding fields below.

4.1 Sustainable jobs

You may consider some of the following questions when answering the Sustainable Jobs criteria

- How many direct jobs will be created by your project, during its implementation and upon completion?
- Are the jobs full-time or part-time, permanent, temporary, or casual?
- What types of jobs will be created?
- Will your total payroll hours increase? and by how much?
- How does the project contribute to wider industry development?
- Will your project result in new jobs for Aboriginal people?
- Will you employee trainees or apprentices as a result of the project?

How will the project create jobs as a result of the grant?

MAX: 600 Words. Please complete Metrics table at the bottom of this section to quantify your outcomes.

4.2. Expanding or diversifying industry

You may consider some of the following questions when answering the *expanding and diversifying industry* criteria:

- What is the economic impact of your project on the region's economy?
- What industry does your project support and how will it change the status quo or lead to new ventures being established?
- Will your project unlock opportunities for growth in your industry or address existing barriers?
- Have you considered using regional data provided by [REMPLAN](#) to demonstrate the value of your project to the region's economy?

Which industry will benefit from the project and how will it increase the current value of that industry to the regional economy?

Word count:

MAX: 600 words. Please complete Metrics table at the bottom of this section to quantify your outcomes.

4.3. Developing skills or capabilities

You may consider some of the following questions when answering the d*eveloping skills and capabilities* criteria:

- Will new technology be introduced to modernise practices?

- Will the project allow you to redeploy and/or upskill workers?
- Is there a skills gap in the region that your project aims to address?
- Will the project attract workers with technical expertise to the region?

What core skills or capabilities will be developed, and how will this address regional gaps and be applied to generate jobs and growth?

Word count:
MAX: 600 Words. Please complete Metrics table at the bottom of this section to quantify your outcomes.

4.4. Attracting new investment in the region

You may consider some of the following questions when answering the *attracting new investment in the region* criteria:

- Will your project allow other businesses to start up or grow?
- Will the project unlock future investment in your business, either through monetary means or research and development?
- Will the project allow new industries to emerge, or attract business to relocate from interstate or overseas?

How will the project unlock future investment in the organisation, industry or region? What is the source of this investment and likelihood it will be secured?

Word count:
MAX: 600 Words. Please complete Metrics table at the bottom of this section to quantify your outcomes.

4.5. Increasing productivity

You may consider some of the following questions when answering the *increasing productivity* criteria:

- Will your project result in increased efficiencies, or safety for workers?
- Will the project increase the quality or yield of your product?
- How will you measure increased productivity, through revenue, sales, new markets or products?
- Will the project increase local consumption, or have other flow on benefits?

What impact will the Grant have on the productivity or performance of the applicant's business or organisation?

Word count:
MAX: 600 Words. Please complete Metrics table at the bottom of this section to quantify your outcomes.

Our metrics

A metric is a measurement designed to indicate whether or not progress towards an outcome is occurring, and quantify the extent to which it is occurring. Here we would like you tell us which of our quantitative metrics you may be able to report on.

Metric	Baseline	Target	Timeframe	Collection method	Explanatory notes
Which of our metrics (if any) will you track? You may be required to report on your progress. Add more rows if you want to list additional metrics.	What is the starting point? Identify a figure that reflects the current situation. Must be a number.	Identify a target for the metric you have chosen - an estimated total for your project. Must be a number.	When will the target be reached?	How will you collect and verify the data? E.g. survey, interviews/ case studies, focus groups, administrative data (e.g. case management data), observation/ estimation, government or public dataset (e.g. Census), other datasets.	Add notes if you need to provide more context.
