Gnangara Horticulture Water Efficiency Grant Program

* indicates a required field

Applicants Please Note:

Before completing this application form, you should read the Gnangara Horticulture Water Efficiency Grant Program Guidelines to familiarise yourself with what is eligible under this program. The program Guidelines are available at [Gnangara Water Efficiency Grants](#)

Applications will be assessed in the order they are received. If additional information is required the Department will ask you to provide it within five (5) business days of the request.

If the information is not provided within the nominated timeframe your application may be declined. You may reapply when you have all relevant information at hand.

The purpose of the Gnangara Horticulture Water Efficiency Grants Program (the Program) is to assist eligible commercial horticultural businesses in the Carabooda, Nowergup, Neerabup, Bandy Spring, Carramar, Cockman Bluff, East Swan, Lake Mungala, Neaves, North Swan, Pinjar, Radar, Reserve, South Swan, Swan Valley, Wanneroo Wellfield and/or Yanchep area (see attached map for detail) to implement water use efficiency and soil amelioration measures on their property in order to manage a 10% groundwater abstraction reduction from 2028 under the Gnangara Groundwater Allocation Plan.

Confirmation of Eligibility

To be eligible you must be able to answer YES to ALL questions below.

If you answer NO to any question or you are unsure about what the question means, please contact the Program Manager by email at gnangaragrants@dpird.wa.gov.au before proceeding with your application.

I own, share farm or lease property for commercial horticultural production in the Carabooda, Nowergup, Neerabup, Bandy Spring, Carramar, Cockman Bluff, East Swan, Lake Mungala, Neaves, North Swan, Pinjar, Radar, Reserve, South Swan, Swan Valley, Wanneroo Wellfield and/or Yanchep area (see attached map). *

Email *

Must be your main contact email address.

Water use efficiencies you are seeking to implement

What type of water use efficiencies are you seeking to implement in your business? *

- Modify existing irrigation
- Change to drip irrigation
- Add soil and/or crop sensor technology
- Add crop monitoring
- Protect crops (eg glasshouse, greenhouse, shade, windbreak, permanent netting)
- Soil amelioration (strategies and inputs to improve/enrich soil)
- Other

At least 1 choice must be selected.

If other, please provide comment(s) below or any additional information regarding the efficiencies you are seeking to implement.

Locality of the horticultural business where water use efficiencies are to be implemented *

- | | | | |
|---------------------------------------|--|-------------------------------------|--|
| <input type="checkbox"/> Carabooda | <input type="checkbox"/> Cockman Bluff | <input type="checkbox"/> Pinjar | <input type="checkbox"/> Swan Valley |
| <input type="checkbox"/> Nowergup | <input type="checkbox"/> East Swan | <input type="checkbox"/> Radar | <input type="checkbox"/> Wanneroo Wellfield |

Your plan and supporting documents

It is expected you will have a documented plan that shows how you intend achieving greater water use efficiencies through irrigation and/or soil improvements in your commercial horticultural business in response to the 10% groundwater abstraction reduction being applied to your business from 2028 under the Gngangara Groundwater Allocation Plan.

A copy of that plan must be provided (including any drawings or other relevant documents) along with quotes for work to be implemented.

Please upload a copy of your plan to achieve greater water use efficiencies in your business. *

Attach a file:

Please upload all quotes that relate to the planned improvements. *

Attach a file:

Please upload your plan supported by quotes itemising soil amelioration products/strategy for expert review.

Please upload any other supporting documents that may help explain your plans.

Attach a file:

How many hectares will the water use efficiency improvements cover? *

Must be a number.

Please upload any additional details about the number of hectares under cultivation that the irrigation infrastructure or soil improvement covers.

Attach a file:

Proposed Project Financials

Total project cost

\$

Must be a dollar amount.

What is the total budgeted cost of (Excluding GST) your project? (Excluding GST)

Total amount requested *

\$

Must be a dollar amount.

Total value of your contribution (Must be \$ for \$)

\$

Must be a dollar amount.

What is the cash contribution towards this project by the applicant?

Please acknowledge that the difference between the total project cost and the amount received from the grant will be paid for by yourself, the applicant.

I acknowledge the above statement
